## IPA SERBIA

**Ph.D. Nebojsa PANTELIC**  
President IPA Region Belgrade

Sembrancher, 19 October 2013

Dear friend Nebojsa,

I wish to sincerely thank you for your fantastic welcome to your country and your incredible generosity, last week-end, on my way to Switzerland. I must stress that this lay over of 6 hours I had in Belgrade has been the most intense ever and certainly the most unforgettable !

I have been very impressed by everything i have done or see. To talk to the media is always very important and a great chance for the IPA. So thank you for this opportunity and for the link you have forwarded to me. Also the visit at the museum was a great moment.

I value a lot the fact that you organized a visit with the State Secretary. As I say, it is so important to have the support of our political authorities and I could see that this support is granted and that you have very essential contacts at the highest level.

Thank you also for the visit at the office and the time spent all together at the meal, speaking about IPA and projects. Your motivation and your dedication show that IPA Serbia has already done very much but also has a great potential for the development of our association. I have no doubt that you will personally play an important role in the future of IPA.

Please extend my greetings to all the very helpful and motivated Ladies I have met and also to your unforgettable friend Filipas. I will never forget this visit, your friendship and generosity.

Best regards to all.
